Due to corona virus pandemic and quarantine, all the liturgies will be celebrated privately. In case of an emergency, the priest is permitted to celebrate even if no one is in attendance. Every faithful of the Eparchy of Passaic is dispensed from the Sunday obligation to attend the Divine Liturgies on March 31 through April 30. Divine law still requires to keep holy the Lord's Day by prayer and avoiding unnecessary work. We will livestream our liturgies on Sundays at 10.30am. Parishioners who don't have access to the internet are encoureged to watch the Roman Catholic Mass broadcast on EWTN.

**Spead hope not fear!**

In our fear and in our confusion, God is with us. We are never alone. Even when we, Psalms: **“walk through the valley of the shadow of death,”**, we need not fear. It doesn't mean that nothing bad will ever happen to us. Rather, this is divine assurance that in our trials and tribulations, **God is with us. We are never alone.** On the third day after his death, Jesus Christ was raised from the dead, showing the triumph of God's love. Easter reminds us, God's love is stronger than hatred, stronger than imperial armies, and stronger even than death. Because Jesus has destroyed death, we can walk through the valley of the shadow of death — or face the spread of the coronavirus — knowing that, in the end, God's love is stronger than our fears and stronger than anything we might face.

**God's love, in the end, is stronger than whatever we face.**

**We are never alone. Amen.**
