If you need another copy, please let us know and we will gladly give you one.

October is the Month of the Rosary

Praying the Rosary gives us victory over our enemies!

***Please be reminded that the Guidelines are still in place
for those attending the Divine Liturgy***

Masks are required when attending Divine Liturgy. They should only be removed for the reception of Holy Communion. You are kindly asked to bring your own mask. We will have a few masks on hand for emergencies.

Please form ONE ROW in the center of the isle when approaching for Holy Communion

Hand Sanitizer is available in the Vestibule. Please use upon entering the Church. **Social Distancing** is still required. Please sit in the marked areas. Families can sit together, but must keep their distance from others.

Please do not gather in the Church or Vestibule to socialize after Liturgy. Greet your friends and talk outside, remembering to keep your social distancing.

Holy Communion will be distributed with individual spoons

Bishop Kurt's dispensation is still in effect for those who cannot make it to Liturgy. You can find the Byzantine Divine Liturgy on YouTube and Facebook. The Eparchial website lists the parishes that are streaming live.

Father, we ask in the name of JESUS that all willful workers of wickedness be removed from positions of power, prominence and prestige. Open the eyes of those being deceived and place people who stand for Your righteous cause in the high places of government and influence. Amen.

Our Lady of the Americas, pray for us!

VOTE with an educated conscience!
